

I benefit greatly from K-LOVE and request that it is kept in its place in my area. It provides an encouraging, uplifting alternative to the negative music so many stations play. Those who listen to K-LOVE have their minds turned to positive things and experience a greater sense of well-being because they are reminded of the love of their Creator. K-LOVE provides a valuable service to the community. Thank you for your time and for continuing to support K-LOVE's service to my community.
